
INDEX

Chapter 1	Installation of MainTop RIP	1
1.1	Composition of MainTop RIP	1
1.2	Requirement of MainTop RIP Installation	1
1.3	Installation of MainTop RIP	2
1.4	Installation and Arrangement of Network Printer .	6
Chapter 2	Operation of MainTop RIP.	13
2.1	Procession Flow Chart of MainTop RIP	13
2.2	Operation of DTP RIP	13
2.3	Operation of MainTop RIP Management System	18
2.4	RIP Process	48
2.5	Photocomposition RIP Process	50
2.6	PRN File Printing.	52
Chapter 3	CTP Digital Plate Making	54
3.1	System Introduction	54
3.2	Solution Process	54
3.3	Operation and Application	54
Chapter 4	Operation Know-how	57
4.1	Increase Printing Speed	57
4.2	Dividing Large Picture into Small Pieces for Printing	58
4.3	Imposition.	59
4.4	Printing of Rotation Picture	61
4.5	Scan Picture	61

Chapter 5	Question Answer	63
5.1	Why printing data errors occur?	63
5.2	What Can You Do When Watermark Appears on the Printed Copy?	64
5.3	How to Guarantee the Correct Printing Colour? .	64
5.4	What Should I Do, When the Printing Operation Suddenly Stops But "Printing" Message is Still Displayed on Screen?	64
5.5	Printing Speed is Slow!	65
5.6	Why the Printed Copy is Shorter than the Original Picture when Printing a 10 Meters Long Picture? .	65
5.7	Horizontal Ripples on Printings From Jet Plotter. .	65
5.8	How to Export Files Made in CorelDraw, Pagemaker, Freehand, AutoCAD etc by MainTop?	65
5.9	Deformation on Picture Produced by Jet Plotter .	66
5.10	Grayish and Blurry Image on Picture Produced by Jet Plotter	66
