Model	Photo	Product description	EXW	
A3-Pro (1390)		Print size:300 * 420mm Flatbed size:300 * 420mm Automatic Grade: Automatic Ink Color:CMYK+VWV / YKLcLm MC Nozzle:540(90°6) spray hold Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON TX800 1390 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1 m²/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, software, cleaning material, primer, manual, cables, accessories.	QTY(set)	Price(US\$)
			1-3	US\$2,700.00
			4-9	US\$2,500.00
A3-Pro (TX800*2) (UV or DTG)		Print size:300 * 420mm Flatbed size:300 * 420mm Automatic Grade: Automatic Ink Color:CMYK+VWV / YKLcLm MC Nozzle:1440(180°4+360°2) spray hold Software:ULTRAPRINT®RIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON TX800 * 2 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1 m²/10ml Speed:A3(2880dpi/2min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, software, cleaning material, primer, manual, cables, accessories.	>10	US\$2,300.00
			QTY(set)	Price(US\$)
			1-3	US\$3,900.00
A3-DX5		Brand Name:Punehod Type:A3 UV Printer(higher resolution) Print size:300*420mm Print size:267*420mm Automatic Grade:Automatic Ink Color:YMCKLcLm+VWV or CMYK+wwwv Nozzle:8192(1024°8) spray hold Print head EPSON DX5/F166000 Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print Height:0~140mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material,glass primer,manual, cables, accessories.	4-9	US\$3,200.00
			>10	US\$3,000.00
			QTY(set)	Price(US\$)
A3-19		Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV Nozzle:540(90°6)spray hold Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON 1390 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1 m²/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$2,500.00
			4-9	US\$2,100.00
			>10	US\$1,950.00
A4-19		Print size:180*300mm Flatbed size:210*300mm Ink Color:CMYK+VWV Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON R330 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1 m²/10ml Speed:A4(2880dpi/3min) Standard configuration: 1 set of A4 UV printer,1 set UV ink, RIP software, cleaning material,glass primer,manual, cables, accessories.	1-3	US\$1,600.00
			4-9	US\$1,300.00
			>10	US\$1,200.00
A4-18		Brand Name:Punehod Print size:180*300mm Flatbed size:210*300mm Ink Color:CMYK+VWV/YKLcLm MC Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON R330 Print Height:0~110mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A4(2880dpi/3min) Standard configuration: 1 set of A4 UV printer,1 set UV ink, RIP software, cleaning material,glass primer,manual, cables, accessories.	1-3	US\$1,600.00
			4-9	US\$1,300.00
			>10	US\$1,200.00
A3-18		Brand Name:Punehod Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV/YKLcLm MC Nozzle:540(90°6)spray hold Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON 1390 Print Height:0~140mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$2,500.00
			4-9	US\$2,100.00
			>10	US\$1,950.00
3360		Print size:330×660mm Automatic Grade:Automatic Ink Color:CMYK+VWVWW Software:Ultraprint RIP Plate Type:Automatic Voltage:AC100-230V Print head:XP600 two print head Print Height:0~170mm, measured with infrared ray Operating System:Windows Ink Consumption:1 m²/10ml Speed:8PASS A4 full-color printing/70 seconds Standard configuration: 1 set of UV printer,1 set UV ink, software, cleaning material, primer, manual, cables, accessories.	1-3	US\$4,800.00
			4-9	US\$4,300.00
			>10	US\$4,000.00
6060 (A2)		Brand Name:Punehod Print size:400×700mm Automatic Grade:Automatic Ink Color:CMYK+VWVWW Software:Ultraprint RIP Plate Type:Automatic Voltage:AC100-230V Print head:XP600 two print head Print Height:0~170mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:8PASS A4 full-color printing/70 seconds Standard configuration: 1 set of A2 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$5,400.00
			4-9	US\$5,000.00
			>10	US\$4,300.00
6090		Print size:600×900mm Automatic Grade:Automatic Ink Color:cmyk+lc+lm+ww+(+v) Software:Ultraprint RIP Plate Type:Automatic Voltage:AC100-230V Print head:XP600 * 2 (or * 3, the other one for vanish) Print Height:0~200mm, measured with infrared ray Machine size: L1300*W1200*H720mm Package size:L1440*W1340*L980mm Operating System:Windows Ink Consumption:1 m²/10ml Speed: 8PASS; 3-5 m²/H Standard configuration: 1 set of UV printer,1 set UV ink, software, cleaning material, primer, manual, cables, accessories.	1-3	US\$5,900.00
			4-9	US\$5,500.00
			>10	US\$5,000.00
A3-20-TX800-UV		Brand Name:Punehod Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV/YKLcLm MC Nozzle:540(90°6)spray hold Software:ULTRAPRINT®RIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON TX800 Print Height:0~140mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$3,250.00
			4-9	US\$3,050.00
			>10	US\$2,800.00
A3-21-TX800-UV		Brand Name:Punehod Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV/YKLcLm MC Nozzle:540(90°6)spray hold Software:ULTRAPRINT®RIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON TX800 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$3,250.00
			4-9	US\$3,050.00
			>10	US\$2,800.00
A3-21-TX800*2-UV		Brand Name:Punehod Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV/YKLcLm MC Nozzle:540(90°6)spray hold Software:ULTRAPRINT®RIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON TX800 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$3,500.00
			4-9	US\$3,300.00
			>10	US\$3,000.00
A3-20-XP600		Brand Name:Punehod Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV/YKLcLm MC Nozzle:540(90°6)spray hold Software:ULTRAPRINT®RIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON XP600 Print Height:0~140mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$3,500.00
			4-9	US\$3,300.00
			>10	US\$3,000.00
A3-21DTG		Brand Name:Punehod Print size:267*420mm Flatbed size:300*420mm Automatic Grade:Automatic Ink Color:CMYK+VWV/YKLcLm MC Nozzle:540(90°6)spray hold Software:ULTRAPRINT®RIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON TX800*2 Print Height:0~120mm, measured with infrared ray Operating System:Windows Ink Consumption:1m2/10ml Speed:A3(2880dpi/3min) Standard configuration: 1 set of A3 UV printer,1 set UV ink, RIP software, cleaning material, primer, manual, cables, accessories.	1-3	US\$3,500.00
			4-9	US\$3,300.00
			>10	US\$3,000.00
Pre-Heater (for DTF printer)		Product name: Pre-treatment Oven / Heater Heating temperature: 0-150° (120° for better use) Heating area: 430*300*30mm Alarm clock function: 0-999 s/m/h (adjustable) Product size: 590*330*160mm Net weight/Gross weight: 10 KG/16.5KG	1-3	US\$220.00
			4-9	US\$200.00
			>10	US\$170.00
DTF		Product name: DTF printer Print size:300*420 Ink Color:6 colors CMYK+WW Software:AcroRIP Plate Type:Automatic Voltage:AC100-230V Print head EPSON L1800 Operating System:Windows Environmental temperature and humidity display White ink circulation Print preheating function Package: 100pcs PET film , 1kgs hot melt adhesive powder,6*100ml DTF ink (CMYK+WW)	1-3	US\$1,500.00
			4-9	US\$1,400.00
			>10	US\$1,200.00

Sample leadtime :	1-5 working days
Mass product lead time :	3-5 working days
Payment:	T/T, Western Union, Alipay, PayPal
After service& insurance	The machine warranty for 3 years(Parts excluding ink passing through)
Our advantage	Integrating development, production sales and manufacturer direct service, customized production cycle is short, the cost is low. Product unique, elegant, private mould product has independent patent of appearance design, your sales easy. International professional management team, to provide from design to proofing, production, online support etc. A full set of technical solutions
